Honorable Shelley Chapman.

I am writing to you to ask
you to please help us retired
miners, in the Patriot Bankruptcy
hearing, my wife and myself have
a very serious illnesses, I don't
know what we'll do if we lose our
benefits, we both have bad hearts
plus other health problems, and depend
on the insurance that Patriot Promist
^(Coal Companies)
we in 1974, and said they would set
aside money for the very benefits they
promist us in the year of 1974 for health
care benefits, please have mercy
on us poor retired miners and help
us keep our health care benefits,

Thank you

Sincerely yours.
