Honorable Shelly C. Chapman

I'm writing this in reference to the letter regarding our health care. My husband Verlie's eyesight is failing him now, so I'm writing this letter for him.

Verlie is 75 yrs of age worked in the mines 28 yrs raised 5 girls, 4 of his own mine, he is on oxygen 24 hrs daily, Nebulizer, twice a day. His legs are weak, were trying to get him a wheel chair he only walks to the car to go to the doctors, he's also on sleeping meds and stomach meds. to

We both take reclose yearly because of us both having arthritis. I'm on seven meds myself. High Blood high Colesterol, Heart med. Stomach, Pain Meds and one for Colitis. Maybe you can help us
