Ms. Ida Jo Porter
221 Union St.
Providence, Ky. 42450

To Whom It May Concern:

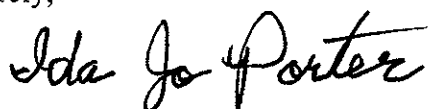

I am a widow of the late William Earl Porter. He was a member of 1178 Local Union, District 23. He was an employee of River Queen Surface, PO Box 289, Greenville, Ky. 42345.

I take four shots a day and am on a strict diet. I also take medication for high blood pressure. I have Otitis Media in both ears and bacterial inflammation which is a corrupt condition. I would like to take a stand for him. If I lose my health benefits, I have no one. I want to fight, but I don't know how.

This picture is showing Ida Jo Porter having my last stroke.

For any further information needed, please contact me at the above address.
I appreciate any efforts on my behalf.

Sincerely,

A handwritten signature in black ink that reads "Ida Jo Porter". The signature is written in a cursive, flowing style.
