The Honorable Shelly Chapman:  
One Bowling Green  
Courtroom 621  
N.Y., New York 10004-1408

Dear Judge Chapman:

I am a widow of a retired miner  
and I would like to let you know how  
important the U.M.W.A. is to me.

I have a lung problem and need  
the insurance + retirement that I get  
from U.M.W.A. If it was not for them,  
I could not afford the treatments that  
I need. I'm sure you can understand.  
I guess you could say my life depends on them,  
and the outcome of this bankruptcy.

Please move our case to Charleston, W. Virginia  
where it rightfully belongs.

Thanking you in advance and May  
God Bless you.

Sincerely  
Kate J. Blanton
