The Honorable Shelley C. Chapman

I am a retired miner and I got word about the Patriot Bankruptcy that would ~~aff~~ affect my benefits. I am 92 years old and in bad health, and my wife is in the nursing home in Bad health. She is in bed and wheel chair at all times. And in hospital a lot and she is on dialysis and oxygen and takes lots of medication. We depend on miners ins, that we thought we had for life. I worked many years at the ~~mine~~ Coal mine for these benefits. Please we need your help

Thank you
