

The Honorable Shelley C. Chapman
One Bowling Green
Courtroom 621
New York, New York 10004-1408

I am writing in regard to Patriots Attempt to throw away the benefits promised and the years my husband worked to earn these benefits.

I am a polio survivor - now battling post polio syndrome - to take away my healthcare will take away my ability to function. The medications used to control my symptoms and the braces for my legs - wheel chairs I use I will no longer be able to afford.

Massey killed 29 men with unsafe acts Patriot will be killing thousands by taking away our hard earned benefits.

I'm not asking for your pity

I'm asking for the promised
Cradle to grave benefits my
husband has earned.

Thank you & God Bless
Naomi Ruth Dean

PS Please bring hearings
to Charleston WV so I can
face those who ARE Trying to
destroy my life.
