

To The Honorable Shelley C. Chapman,  
My Name is Harold E. Tate,  
I AM writing About what my Miners  
Insurance means to me And How  
I earned it. I spent 24 yrs with  
Peabody Coal Co, this is How I  
earned my Insurance And Pension.

I HAVE Had 2 Stents Put in my  
Heart Arterys And HAVE AN ENLARGED  
Aorta. I TAKE CT SCANS EVERY  
so often to watch if the Aorta  
enlarges Anymore. My wife LINDA  
TATE HAS Had BACK Surgery AND  
A Knee Replaced. Without Insurance,  
we couldn't keep our Health up.

I AM writing to ASK You to  
Help us keep what we worked  
so Hard to get. Patriot Coal  
is Filing BANKRUPTCY so we would  
be cut out. Patriot Coal is  
Peabody Branch AND I feel  
Peabody should still Be Responsible  
for our Insurance AND Pensions for  
the time AND HARD work we gave  
to Peabody. I am ASKING you  
to Please, Not let them cut us  
out.

Thank You

Harold E. Tate
