To whom it may concern,

We are writing to ask for help to keep our hospital card because as for my husband he is facing surgery in his neck and back he will have to go out of state for this surgery he has to go to the doctor every month we have to pay our office visit every time we go to the doctor it is very critical that you help us keep our cards.

As for my wife she has been diagnosed with colon cancer 4 times she has a colostomy bag. She has had surgery 4 times they are preparing for a 5th surgery and we need our card we pray that you help us we would not be facing a ~~crisis~~ crisis we will do what we need to do our prayers are with you all

Sincerely Dana & Starkey +
