

10-2-2012

TO: The Honorable Shelley C Chapman
From: Fred Hager - His wife Cora L. Hager

I am writing about our health care, my wife and I are very ill, and it would be a disaster, our health care most urgency needed, it would be a disaster if our health care were taken from us. It is critical for me and my wife to depend on our health care.

Signed: Fred Hager
Cora Lee Hager
