

Oct 5, 2012

Honorable Shelly C. Chapman

For approximately 20 years, I have worn hearing aids. I think in that time the insurance has paid for 4 pairs. I am on "borrowed" time now and may be needing a new pair soon. I could not afford to pay for them easily. Communication without them would be very difficult.

This insurance has been a blessing for my husband & I.

Sincerely,
Glenn Schabert, widow
of Charles R. Schabert
