Your Honor:

I am sharing my personal story to you, about my illnesses, and that it would be a hardship if I lost my health care.

I have a tumor in my head, Kohn's Disease, Parkinson's and have had Heart ablation.

Also, my wife has congestive heart failure, problems with Blood Clots, she is on Coumadin.

Needless to say we are on a lot of medicines.

We would appreciate ^{it} for all ~~the~~ ^{your} help and I thank you.
