

09312

I am writing this letter considering our health care. My husband and I have Patriot Coal thro United Mine workers of America.

I don't know what we would do without our health card.

My husband had open Heart Surgery and is on alot of medicine, He is also a diabetic and has to take medicine for it, and also has bad back problems.

I am on alot of Blood Pressure pills, and I am on stomach pills.

Thank You  
Charles and Linda  
Matherney

P.O. Box 324  
St. Charles Ny 42453

P.S. My Husband is a  
retired coal miner.
