

The Honorable Shelley C. Chapman
One Bowling Green
Courtroom 621
New York, New York 10004-1408

Dear Judge Chapman;

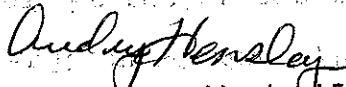

I am 73 year old widow. My husband and I were married 50 year and he was a coal miner mostly underground for 36.5 years. He died in 2008. After he died I lost quite a bit of our income altho I still have the same bills and even more expenses.

I have medical problems, arthritis in my back, arms and shoulders, a bulging disc and pinched siatic nerves in my back and I have fibromyalgia and high B/P

These medical problem feel like a severe case of flu the pain is so intense. I have problems walking, I can't sit for very long and the only relief I get is to lie down and the medicine I have to take. I have no one to help me do anything I have to pay for everything I get someone to do.

I really don't know how I will survive if I have to start paying on my medical bills. I try not to use the medical cards anymore than I have to and I ask you to please not let them cancel my benefits.

Sincerely,

Audry Hensley---widow local 5958, District 17
