One Bowling Green  
Courtroom 621

The Honorable Shelley C. Chapman:

This letter is in reference to Mrs. Sadie Edwards who is a widow to Mr. James Edwards. Mr. James Edwards was employed by Peabody Coal Company

I am Sadie Edwards daughter and because of her age, I take care of her. By taking care of her, I mean that I make sure she is fed on time and her medicine given her in a timely fashion. My Mother is way up in age and is totally dependant on her monthly check as well as her health benefits.

This letter is to ask for the venue to be moved to Charleston, West Virginia where we will be able to at least participate and voice our opinion. The Patriot Coal Company has no ties to New York but has thousands of ties to West Virginia and the surrounding states.

It is our request that you will make your decision in our favor.

Thank-you
