

This letter is addressed to the Honorable Shelley C. Chapman in regards to the need as a UMWFA retiree to preserve my health benefits. The expense of the medications listed below would be very, very expensive for us without our insurance. Please consider what is at stake for so many people.

Daily Medications

1. Digoxin
2. Simvastatin
3. Inderal
4. Lisinopril
5. Furosemide
6. Aspirin
7. metoprolol
8. Fish oil
