

Dear Honorable Judge Chapman
I am writing to let you know
how important our health ins is to
us. I have had lung cancer
surgery a heart attack and open
heart surgery in the past 5
years. My wife has had breast
cancer surgery. She is a diabetic
also. So our ins is very
important to us. I am 80 years
old and I can't work any more.
I thank you for your consideration.

Thank You
