Honorable Judge;

I'm 70 years old, have worked for Peabody Coal Co. at Ken Surface mine, In Ohio, Ky. for 30 years. I worked hard, very seldom missed, only if really sick. I have arthritis very bad, can hardly walk every day. I've had knee replacement, looking at more surgery. Have stomach problems. My wife has a brain tumor, we would be so devastated if we lost our health card, and pension. We have been working hard for years, with the thought of being taken care of, when we reach this age of need. Please help us reach for our security in the future, we were promised this.

William G. Barnett  
Virginia Barnett

I have never worked for Patriot Coal.
