

The Honorable Shelley C. Chapman
One Bowling Green
Courtroom 621
New York, New York

Judge:

My name is Vernon L. McRobert: as a 23 year member of the UMW, The Company walked away from us, not the other way around.

In my Oath to the Union was "A fair Days work, For a fair Days Pay" I was raised that way, so I believe in it.

I do not smoke, used ^{to} drink one or two, but now I have High Blood Pressure, so I don't do any drinking.

I also have short term memory loss, double-vision, suffer seizures, a Veribra Crack and a concussion from a fall. I also have an Ostomy and need's supplies for it.

Being without insurance, from a "staged Bankruptcy" at 60 years old and I will be on welfare. They signed the Contracts for us for benefits and wages.

Please look at the human toll this is having.

Sincerity
