

To whom it may Concern

I am writing to you concerning our Health insurance. I am a 57 year old woman with health problem's I am facing Knee surgery soon, and heart valve replacement down the road and other Health issue. Without Health Insurance we cannot afford health care on our own. My Husband has worked in the mine for 37 Years and was promise Health care when he retired. He is 59 and still working because, He's not old enough to retire yet. I am asking you to save our Healthcare.

Thank You

Brenda Morgan
