

HONORABLE : Shelly Chapman

I CAN-NOT BELIEVE THAT THE
PEOPLE WHO MAKE THE LAWS COULD
LET THIS HAPPEN.

PEABODY MADE 6 BILLION "\$" LAST
YEAR, NOW THEY WANT TO TAKE A
WAY OUR LIVELIHOOD & HEALTH CARE.

SO THE STOCK HOLDERS CAN GET A BIG
BOOST IN THEIR INCOME WHILE WE LOSE
OUR HEALTH CARE & OUR CHECKS THAT
WE WORKED FOR

THIS IS WORSE THAN "BANK" CAPITAL
