Dear, mam,

The Honorable Shelley C. Champman,
I am writing to you, and my name
is Anna Mae Honaker in regards to the
letter you sent me about encouraging members
to share our personal story. Well I am
a widow and have been a long while,
I am 80 years old, and I am been
retired a long time, you ask me what
would happen if I lost my healthcare, it
would be very hard for me, I have sick
spells with my back, and I am not able
to travel, and my daughter helps me
to go to the store, because I don't drive,
she takes me to the store, and to the
doctor, and to church, just close around here,
and I live by my self, and have been by
my self a long time now, since my
husband passed away, I hope you will
be able to help me, thru this time and
these things we are going thru.

I hope you will help me about my
benefits, because I could really use
your help, thank you so much for writing
me, may God bless you, Anna Mae Honaker
Love & Prayers.
