The Honorable Shelly C. Chapman

my name is Jacky Dunlap, I am a RETIRED COAL MINER, I am very concerned about THE FUTURE OF MY HEALTH CARE, and many others who DESPERATELY DEPEND ON THEIR HEALTH CARE AS WELL.

I am AT THE AGE NOW, WHEN MY HEALTH CARE IS VERY IMPORTANT TO ME, I HAD CANCER SURGERY IN 2008, I ALSO HAVE ARTHRITIS, CARPEL TUNNEL, BACK PROBLEMS, MY WIFE'S HEALTH IS ALSO DECLINING.

SO YOU CAN SEE HOW IMPORTANT THIS ISSUE IS TO US AND MANY OTHERS, I GAVE EASTERN ASSOCIATED COAL, PEABODY COAL, AND PATRIOT COAL, THE BEST YEARS OF MY LIFE. WHILE THESE COMPANIES MADE HUGE PROFITS, AND NOW THESE COMPANIES ARE TRYING TO PUT THE WORKERS WHO MADE THEM HUGE PROFITS ON THE BACK BURNER.

YOUR HONOR MY FAMILY AND MY CO-WORKERS FAMILIES WOULD APPRECIATE ANY THING YOU COULD DO TO HELP US IN THIS FIGHT

Sincerely Yours  
Jacky P. Dunlap
