Re: The medical plan for UMWUA.

I am 89 years old, Widow, all my family
deceased. Have no children — so I'm on
my own. My medicine is around \$500.⁰⁰

each month — all paid by UMWUA. If my
benefits are taken away I'm in a bad bad
shape.

My time is short for this world — Without
my medical benefits it will be rough. I'm
a stroke victim and need my benefits to
survive.

My father was a coal miner all his life —
My husband was also a coal miner.

Please think about me and lots of others
when you make your decision for us.

God Bless You.
