

The Honorable Shelley C. Chapman

Dear Sir, I would like to tell you, what it means to me., If Peabody, known as Patriot Coal Co. is aloud to go bankrupt on me, after their promise to me and the U. M. W. A. I retired in 1994 and now 78 years old. I also retired under the Rockefeller Bill of 1994. My wife was included who is now 76 year old.

I am suffering from black lung, if we lose our insurance, we will lose our home. I took the deal under the Rockefeller bill so I would have insurance the rest of our life. We are asking you to please give this some thought, as you know, the older we get, and the more we need our insurance.

Thank you sincerely
