

I am a 73 year old disabled
miner.

I was peronally disabled in 1987
with 11 years at Peabody Coal
with out my medical Fee I
would be bankrupt with in 6 mo

This insurance was guaranteed
me by A Legal & Ratified
Contract signed by both

The UMW & Peabody Coal Co.

I think Peabody Coal &
Detroit Coal Co. Have devised
a scam. This scam is devised
to let Peabody out of its
Responsibility to Retired &
disabled miners.

Your Honor This is simply
Rong.

I am asking you, do not let
this hope to miners that
gave their Limbs & Lives
to keep this Country Running
do not let a bunch of smooth
talking lawyers, do what they are
