Dear Judge Chapman;

I was employed by Peabody Coal Company for all of my working life, until I was forced to go on a disabled pension in 1993, due to lung disease and injuries. Peabody Coal Company was the name on my health care card until a few years ago when it was changed to Patriot Coal. Now Peabody is using a Patriot bankruptcy as the tactic to "not honor" the agreements of health care benefits for thousands of coal miners. This has to be the most underhanded attempt to get out of what is a Peabody responsibility that was agreed to by this company for several years. I am asking that this case please be moved to Charleston, WV where it deserves to be heard and settled.

I am and always will be employee #21434 to Peabody Coal Company; the largest coal company in the world. Thank you for your consideration.

Respectfully Submitted,

Kenneth E. Orr
