To the honorable Judge Shelley Chapman,

My name is Keith Tedrick, I am 68 years of age, I worked 35 yrs. for Peabody/ Patriot Coal.

I pulled two horrible years in Viet Nam, with the 3hd Marine Div. We were on Khe Sanh, a combat base for 77 terrible days, we could not get out, no one could get in!

I now and have for some time suffered with hypertension, type2 diabetes, and now, am on dialysis. Plus P.T.S.D.

Should Peabody/Patriot win, and I loose my medical, within one year, I will die, as no one has the money to cover my diseases.

I beg of you Judge, please do not let this happen, please, I will be happy to mail you copies of my med. Records, to prove to you my statements.,

Please Judge Chapman, I fought for this country, please help me ! Thank you.

Keith Tedrick
