

To the Honorable Kathy A. Suratt:

I'm writing in regards to
the bankruptcy case against
Patriot Coal Corp.

We are asking ~~to~~ you to consider
the hardship this would have on
our lives & ~~our fellow coal miners;~~
if we should lose our health
insurance & pensions.

With the cost of living being
so high & continuing to rise
it would be very hard for us
to keep our heads above the
water.

My husband is 70 yr old &
has worked his entire life
around & in the coal industry,
risking his life every day,
so when he retired he
could get a pension & health
insurance.

We are at the age now
where we have several

health problems. He is
diabetic & I have had
breast cancer plus more.
So please consider what
these miners did and what
they were promised by
Peabody & Patrust Coal Co,
and Arch Coal company.

Thank You,
