To The Honorable Kathy A. Surratt-States,

My name is Bobby Campanella, I am a member of UMWA Local 1392. I am writing you today so you will be aware that this bankruptcy case affects actual people. I worked for 22 years in the coal mine industry under a contract with Arch Coal Company that promised a pension and health care. I am 62 years old, and have planned my retirement on the word of their promise.

Coal mining is a dangerous job, these benefits that were promised to us were a big part of why I and others workers took these jobs.

Thank you for your time and interest in my letter,

Bobby Campanella
