

The Honorable Kathy A. Surratt - States

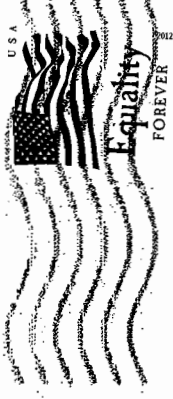

I'm writing about the Bankruptcy case with Patriot and Peabody. They promised all of us Retired Coal miners a medical Card till the day we die. Now they want to take it away. It's not right.

I'm taking (5) breathing treatments a day, and I'm on Oxygen around the clock. Besides my heart pills every day. My wife had a stroke a year ago and she has to have her heart pills. If they take our Health Cards away from us. I don't know what we will do. With out a health Card we will not be able to make it. We are on a fixed income and we can't make it without our Health Card.

Thank you
Mrs Leroy Lammert
Retired Coal miner
