The Honorable Kathy A Surr att States

My Husband worked for Arch
Coal for 11 yrs. Arch Coal promised
us. they would keep the promises
they made to us and our family.
I don't think the coal companies
should say one thing. And then
do another thing. These men went
in the mines. Knowing maybe they
wouldn't come out alive. And if
these checks stop. It is really going
to affect all these brave men
and their families. With prices
going up all the time. I want
to thank you. For reading this.
