

The Honorable Kathy A. Surratt - States

My name is Pamela Coleman.

I am writing to you on behalf of my husband Harry Coleman Jr.

He is 65 and has bile duct Cancer, he went through a major operation & the side effects are still harmful.

We constantly stay in his office His medications are a lot of them.

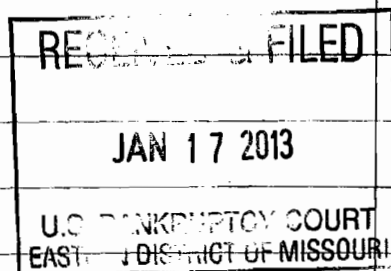

We need our benefits to survive. He suffers terribly from Diabetes, high blood pressure, irregular heart beats, he is on insulin & pain meds. He takes meds to eat, sleep, nerves, to just to survive. Anything you can do for us, will be greatly appreciated. I also take care of my 89 yr old father in law. He is a retired coal miner. His health is failing & I am a homemaker.

Dutts was told he isn't eligible
for any assistance (from
agencies). I would like to
see every retiree keep their
benefits & pensions.

Thank you for reading
and understanding.

Thank you &
God Bless

M & M's Nancy Coleman
