Re. Case No. 12 - 51502  
U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF MISSOURI

Hello,

I am writing in Response to Fairness for Patriot. I am affected by their actions. I have had open heart surgery. I now need medical care. Medical Care Peabody promised me along with all the other employees, widows, and disabled employees. Peabody, has many names and branches, Peabody's promise health care promise "Cradle to grave". That's what we worked for and that's what we believed. We helped Peabody make billions now they can't pay our health care according to them. I, or we have become a liability, or burden. Now they owe us our health care. Who else will pay if Peabody because of a branch off and a Change of names they are allowed to do this terrible thing. We have to have health care.

A promise is something you keep. It's not to be broken. This is all we are asking for. This and nothing more. Just to be treated like the good employees we were when Peabody handed out stickers, pins, etc. these little things telling us we were good employees and safe employees.

I'm still good. Peabody should be reminded of this. We aren't at fault for Peabody's mistakes. Please Consider Carefully. Thank you!
