Re: Case No. 12-51502

I worked for Peabody Coal Co. for 29 years and I tried to be a loyal employee. This company promised me and my family health care for life

My wife and I both are in poor health. I just had heart valve surgery, and before that I had prostate surgery. If I didn't have this health care I might have to mortgage my home.

If these companies are allowed to take this health care away from it will be devastating to my family

Very Sincerely Yours
Ernest Cornett
