St Louis Mo 63102

Your Honor,

I chose a mine career after high school because the wages and benefits were good, including retirement. I can't change the past and do something different to insure myself a good retirement at my age. What Patriot is trying to do is catastrophic to me and my wife. Please don't let them do this. Help me and all my fellow workers BE retired with dignity. The contract was negotiated in good faith and I performed my duties in good faith.

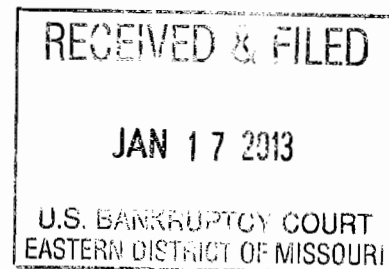

Thank You,

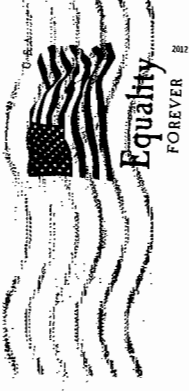

Dennis Buck
