To Honorable Kathy A. Garratt-States,

My husband John worked for 20 years at Peabody Coal. He was injured twice during that time.

We depend on his pension + our health insurance. He has coronary heart disease and takes quite a number of prescriptions. If Patriot Coal cuts off our health care and pension it will cause great hardship on us. We are in our seventies and need this care. It was promised to us in his contract.

Please help us and the other retirees that depend so on these things. Thank you for your help.

Sincerely,

John + Barbara McArthur
