Honorable Kathy A. Surratt - States

Re: Case No. 12-51502 :

I am 72 years old and have worked for Peabody Coal Company for 24 years with the promise of keeping my health insurance after 20 years of employment. I have never worked for Patriot Coal Company, so why should their bankruptcy affect me?

I have life-threatening heart disease and diabetes. If our health insurance is denied, the hardships will be very detrimental to my health as well as the health care of my spouse as we will no longer be able to afford doctor's visits, tests or medications.

Thank you,
Robert & Brook
