

Case # 12-51502

Hello Your Honor!

I am writing in concern of the Patriot Coal bankruptcy case.

My name is Rose, my husband is Frankie.

Frankie is a disabled miner and we depend on the health care promised to us by the companies ~~ag~~ agreement.

You see your Honor he receives a little over \$1,500.00 a month in SS and pension. It is very hard for us to make it from month to month.

Without this health care we would not be able to afford our meds and for doctor visits. I am sure, we are not alone, there are many more people who depend ~~on~~ on this.

They (the company) agreed to provide us with life time benefits of which we could not live without.

~~Frankie~~

In Sept. of 2010 Frankie had a stroke.  
If it had not been for this health  
care I probably would have lost him.

Your Honor please take into consideration  
the promise made to us by the  
company and the affect it would  
have on so many peoples lives.

These miner gave them their  
best years and They (the company)  
should have to live up to their  
promise to us, when we need it  
most.

Thank you
