My name is Jeanette Williams widow of Roger Williams. Roger worked for 30 yrs as a UMWA coal miner for district 12 Local 5850 and was employed by Arch coal. Roger was promised Health Care and a pension check for life and as his widow I was to receive it after he passed away. And I think it is wrong of Patriot coal, Peabody coal and Arch coal to want to take away my health care and pension check after my husband worked so hard for it. I have had cancer and had to have 28 Radiation Treatments. If my health care is taken I can't see the doctor anymore to get the treatment I need to stay well. Sometimes you have to choose to eat or get your medicine to stay alive. But Patriot coal Peabody coal and Arch coal doesn't care if we live or die just so they get what they want. I heard they even made fun of the situation that we are in.

If I lose my Pension check I will lose my home and car because the small amount of Social Security I receive will not pay a house payment and car payment and insurance and taxes I have to pay on

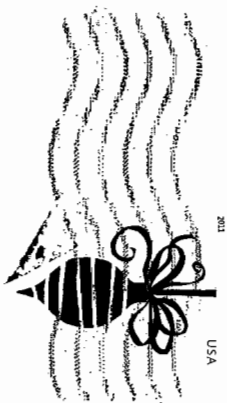

them the electric Bill is \$400.00 most of the time  
and with all the rest of the utilities and  
unexpected repairs on the Furnace car and home  
I just couldn't make it without the pension check  
So I please beg you search your heart when you  
make this decision I pray that you will see the  
wrong that Patriot coal Peabody Coal and Arch coal  
are trying to do as you make your decision and  
decide that Patriot coal Peabody coal and Arch coal  
should continue to pay our health care and pension  
checks because it is so very wrong and hurtful  
to do coal miners and their families this way.  
when they worked so hard and some even died  
to be able to live.

May God be with you  
as you make this decision  
Thank you for reading this
