

Honorable Kathy A. Surratt States

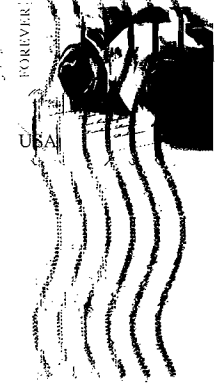

I am writing to let you know how much my health insurance means to my wife & me. My wife had open heart surgery last year & had cancer of the neck. I had a heart attack. We are both in good health & depend on our insurance. I worked 34 years for Peabody Coal & thought I had insurance for life. I hope you will take us into consideration when you make your decision on Patriot Coal bankruptcy. I have never worked for Patriot coal but Peabody put me under their insurance. Thank for reading my letter

Sincerely yours
Alvernor Randolph.
