U.S. BANKRUPTCY
EASTERN DISTRICT OF MICHIGAN

The Honorable: Kathy A. Surratt - States:

Your Honor:

I am writing this letter to request of you to not lett th's happen.

I gave Peabody 20 years of my life, my healthy life. Now when I need it the most, Peabody decides to take away what they promised my wife and I they would provide for life.

When I grew up a handshake was as good as a signature. Now it seem's even a signature, is not binding.

My wife just had cancer two years ago and I have a pacemaker + 2 stints. If peabody takes our health who do you think will insure us if we could afford, which we can't. I'm hoping you will see fit to refuse their request

Yours Truly,
Howard D. Price
