U.S. BANKRUPTCY COURT
EASTERN DISTRICT OF MISSOURI

To, Honorable Kathy A. Suratto - State
Re. Case # - 12-51502

My name is Terry Bedwell, I live
at 6930 Dogtown Ln. Elmwood Ill. I
am a retired coal miner of 4 yrs., having
put 20 years in the coal industry. I
had to travel 250 mi. and live away
from home to complete my 20 yrs. to
qualify for medical dns., as promised.

I worked for Peabody coal and Arch
Minerals was the company I retired from.
I don't know much about big business,
and don't understand why a company
(Patriot) would assume my ^{All Retires} divorce
obligation from Arch, sounds like a
Plan for failure.

My wife and myself take medication
daily. My wife had a stroke 4 yrs. ago.
I cannot afford medical dns., as my
retirement dns. is all we have. I doubt
I could find a job at my age (64) with
medical dns. This would be an extreme
burden to my family.

Thank you for reading this letter.
Please consider all retirees when
making a decision.

Thank you
Terry Bedwell
