EASTERN DISTRICT OF MISSOURI

Honorable Kathy A. Surratt-~~State~~

I have worked for 27 years in the mining industry. I have been retired since 1993 at the time I retired I had major medical problems and depended on my insurance from Arch Minerals. My medical problems and those of my deceased wife have been on going for years. I fear without the insurance that was promised under our contract with these mining companies my health and the health of the other retirees and their families will be compromised. These companies are trying to dodge obligations to the people who have worked for them for years and now depend on this insurance as they get older.

Thank You,
Allen Fiske
