The Honorable Kathy A. Surratt - States

I am writing a short note regarding the Patriot bankruptcy -

I worked for Unay/Arch Coal Company the best 20 years of my life. I did manual labor - drove heavy equipment - mechanic work - dragging and lifting heavy cables and any job the coal mines required of me -

I suffer from severe back and leg pain making it hard for me to walk.

The Neurosurgeon said back and leg pain caused by doing heavy labor too long and only relief would be pain medication rest of my life

I certainly hope Patriot will continue to pay my health and pharmacy benefits that were promised to me.
