EASTERN DISTRICT OF MISSOURI

To Whom it may concern.

I pray you have a Blessed ~~day~~
and God be with you. I am Bert Moore,
42 yrs old, the son of John A. Moore
who worked for Peabody Coal 35 yrs and
9 months. I am Dad's voice in hopes to
help him keep what belongs to him and
what he has worked for and promised
by Peabody Coal. Dad has raised 8 children
and adopted 2. Kept food on the table
clothes on our backs. Also has served this
country as a soldier and made us all proud.
While working for Peabody he also farmed
raised tobacco, hogs, cows, and a hodge
garden to help feed us kids. Mother canned
everything and nothing went to waste.
We was taught to sit & eat at the table
to ~~always~~ put God first, then your neighbors,
yourself last. I believe Dad has always
done that. He worked a lot of hours for
Mr. Peabody when he was very, very ill. Dad
has lost a lung, and had 2 back surgeries
since working for the coal company. Yet they coal Drs
say he has no black lung or problems with his
back. Drs at Peabody said he lack 3% to receive
disability. He suffered through and made it to
retirement. And now Peabody wants to take

his Pension, his health card & Drug
card. when is enough. enough!!! I love
my mom & Dad very much and believe
they deserve all they have work for.
IF we don't stand up and ^{have} a little backbone
now! what will it be like for our children
when its time for them to Retire.

Thank you AGAIN for your time

May God Bless!

Best Mom
