To Whom It May Concern:

My name is Charles C. Chadwick I live in Beaver Dam , KY 42320 and I have worked for 37 and a quarter years for the UMWA.I am now 82 years old and would have never thought that my health care and pension would be in jeopardy. When we risked our lives in the coal mine for Peabody and Arch we were assured if we did a good job we would be taking care of when we retired. I feel that Peabody, Arch and/or Patriot should be made accountable for their promises they made to us. Their company would not be what it is today if it was not for coal miners like myself and my fellow union brothers and sisters. We have worked very hard to have our health care and pensions. I am not in very good health now, But this has taken a toll on my health due to all the stress of losing everything. If you let them take our Health Care and Pension This will be sending other Companies a message to file bankruptcy to get rid of their obligations to their retirees, widows and their dependents. Please don't let Patriot do this to us.

Thank You
