

Your Honor,

My name is Joyce Ferrell, wife of Timothy Ferrell. I am so worried. How will we survive without our medical care and our retirement check. We are hard-working people, who have never been late on any bills. We keep our commitments. One stay, in the hospital could cause us to lose everything we have worked so hard for all these years. Please make the Coal Co. keep their promise to provide for the retired miners. We need your help desperately.

Thank you for
reading my letter
