Dear Honorable Kathy A. Surratt - States,

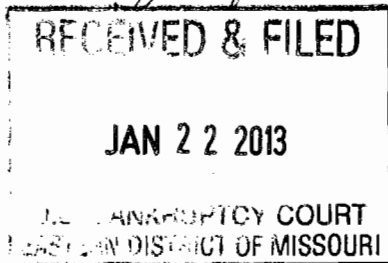

My husband died 15 yrs. ago.

He was a retired miner.

I have a lot of things wrong with me physically (Health). High blood pressure, high ~~so~~ cholesterol, diabetes, ~~gout~~ gout, back arthritis & other things. I don't know what I'll do if I lose my Ins. card.

My family asked me what I'll do. I told them I would have to gradually go off my medicine and do the best I can, and pray to the Lord that I can live as long as I can without my medicine.

I think you for reading this, but I will close for now. I know you will do the right for all of us.

Thank you!
Joan L. Parker
