U.S. BANKRUPTCY COURT  
EASTERN DISTRICT OF MISSOURI

I'm writing in regard to the Patriot Bankruptcy hearing. I am asking on behalf of my husband and myself to please consider the promise and obligation made to my husband when he was employed with Peabody Coal Co.

My husband retired from Peabody Coal with almost thirty years of service, with the hope that our retirement years would be secure - We depend so much on his pension and our health care. In 2007, I was diagnosed with breast cancer. I received the best of care and so far I am doing well. Last March, my husband underwent back surgery, with our health care and our Medicare, he is doing well.

My plea to you is simple,  
Please do not let Patriot get  
away with this. We need and  
depend on our health insurance  
so much in our retirement years.

My husband worked so hard  
for his pension and insurance, as  
did all his fellow workers, Please  
consider my request for the right  
thing to be done here. Thank you  
for your consideration.

Sincerely

Judy King
