The Honorable Kathy L. Surratt - States

First of all, let me thank you.

My name is Geneva (Widow). My husband was a retired miner. (Passed away a little over fourteen years ago). I am on several medications, that I could not afford if not for my health care.

I am asking for you to hold Peabody, Arch, and or ~~the~~ Patriot accountable for their promises, they made. promising, health care for life to retirees and widows. Also pension benefits.

Thank you,  
Geneva Fuller
